“Touch of Fun”

[3 new ways to gather around an iPad ...](#)

Playsoft's starting the new school year. Next to his first release of Touch Of Fun this summer, Playsoft changes up by giving a sequel of the first Touch Of Fun.

September will be more cheerful and your children will eventually have their Wednesday occupation !

Real dynamite for imagination, these are no less than 3 new games that you can discover in this new version. At the agenda, twice more action, twice more thrill fore twice more conviviality !

[...coming from a unique expert's report !](#)

By 1 gentle press of your finger you'll be able to go to a ghost hunting with **Ghost Catcher**, to plunge into the greatest restaurants kitchen with **Cooking Madness**, r go play tamtam deep in the jungle thanks to **Totem of Fury**. These 3 games have the power to captivate untill 4 players thanks to the multi touch fonction.

Above all, never forget : no need to be a pro gamer to win at Touch Of Fun. Only mischief and ingeniosity matter !

According to **Nicolas Bensignor**, Président of Playsoft, Touch Of Fun, and more especially this sequel « proves how capable are Playsoft's team to innovate. *In the vanguard of new platforms, we develop these projects for iPad but also for Windows Phone 7 and Bada-Sams. It brings us a great report which we have to supply to every of our client, big or small.*»

It seems like it's beneficial for them as they are always more to trust in our skills.
